Organ Transplant Regulatory Compliance and Counselling

«Hospital Name» — Supports COP.15.a, COP.15.c

SOP No.	[Hospital to define]	Version	1.0
Effective Date	_____	Review Frequency	Annual, or on change
Prepared By	Quality Coordinator Name: _____ Signature: _____		
Approved By	Medical Superintendent Name: _____ Signature: _____		

1. Purpose

This SOP describes how «Hospital Name» keeps its transplant programme compliant with the Transplantation of Human Organs Act, and ensures every donor/recipient is properly counselled before proceeding.

2. Scope

Applies to every organ transplant case managed at the hospital.

3. Responsibility

Transplant Coordinator: verifies regulatory compliance for every case and conducts or arranges counselling.

4. Procedure

1. Confirm the hospital's transplant licence for the relevant organ is current before proceeding with any case.
2. Confirm every participating medical professional holds the authority required under the Transplantation of Human Organs Act for their role in the case.
3. Counsel the donor and/or recipient in the statutory format, before transplantation — never after.
4. Where the donor is declared brain-dead, counsel the family per the hospital's process, and document it separately from routine pre-transplant counselling.
5. Submit programme reports to the appropriate authorities within the timeframe the Act requires.

5. Records

Supported by all 7 records in the COP.15 Required Records pack.
