Statement of intent

«Hospital Name» maintains documented personal information for each staff member, so that a complete, confidential, and current record is available for every category of staff.

1. Purpose

This policy sets out how «Hospital Name» maintains staff personal files — what they contain, how confidentiality is protected, how in-service training is recorded, and how evaluation results and remarks are documented.

This policy does not cover recruitment, induction, performance appraisal, or staff health and safety — those are covered in other hospital policies.

2. Scope

This policy applies to the personal file of every staff member at «Hospital Name».

3. Policy standards

«Hospital Name» maintains personal files for all staff and ensures their confidentiality.

«Hospital Name» ensures personal files contain each staff member's qualification, job description, credential verification, and health status.

«Hospital Name» maintains records of in-service training and education for staff.

«Hospital Name» ensures personal files contain the results of all evaluations and remarks.

4. Non-negotiable rules

1. Do not maintain a staff personal file without ensuring its confidentiality and restricting access to it.
2. Do not leave a personal file without the staff member's qualification, job description, credential verification and health status on record.
3. Maintain a record of in-service training and education for every staff member.
4. Do not leave a personal file without the results of all evaluations and remarks on record.
5. Staff who see a rule under this policy broken report it the same shift to the HR In-Charge / Personnel Officer or the Medical Superintendent.

5. What we do

5.1 Personal file maintenance and confidentiality

Personal files are maintained for all staff at «Hospital Name», kept current and updated (electronic format is acceptable), with confidentiality maintained and access restricted.

5.2 Personal file content

Each staff member's personal file at «Hospital Name» contains their qualification, job description, verification of credentials and health status.

5.3 In-service training records

Records of in-service training and education are maintained for staff at «Hospital Name». For internal training, an annual summary may be filed, with a supporting document verifying attendance. Where training records are held elsewhere, the personal file carries traceability to them; electronic training records are acceptable.

5.4 Evaluation results and remarks

Personal files at «Hospital Name» contain the results of all evaluations and remarks — performance appraisals, training assessments, health-check outcomes, and records of achievement, appreciation, complaint, warning or memo.

6. Governance and responsibility

Role	Responsibility
HR In-Charge / Personnel Officer	Owns this policy. Maintains personal files and controls access to them.
Department heads / Unit In-Charges	Provide evaluation, appraisal, and training-attendance inputs for personal files.
Medical Superintendent	Oversees implementation of this policy. Receives escalations under Section 4.
All Staff	Provide accurate information for their

	personal file. Report identified risks and rule breaches.
--	---

7. Quality monitoring

The HR In-Charge / Personnel Officer periodically reviews personal files for completeness and currency. This policy itself is reviewed every year.

8. Training and staff acknowledgement

All staff covered by this policy are made aware of what their personal file contains and sign the acknowledgement below.

I have read the Policy on Staff Personal Information and Records of «Hospital Name». I will follow the processes described.
