20 📖 NABH Education Tool - India is an independent educational tool for hospital quality managers, accredit
    ation coordinators, and healthcare professionals preparing for NABH 6th Edition accreditation.
21
22 ⚠️ DISCLAIMER: This app is not affiliated with, endorsed by, or connected to NABH (National Accreditation
    Board for Hospitals & Healthcare Providers) or QCI (Quality Council of India). This is an independent educational
    and preparation tool.
23
24 _____
25 WHAT THIS APP DOES
26 _____
27
28 Preparing for NABH accreditation is complex – 639 Objective Elements across 10 chapters, 26 committees to
    form, 12 mandatory audits to conduct, 50 KPIs to track, and hundreds of documents to maintain.
29
30 This app brings all of it into one platform so your quality team always knows where you stand and what to
    fix next.
31
32 _____
33 KEY FEATURES
34 _____
35
36 ✅ ALL 639 OEs – NABH 6th Edition
37 Score all Objective Elements across all 10 chapters (AAC, COP, MOM, PRE, IPC, PSQ, ROM, FMS, HRM, IMS) with
    1-5 scoring and step-by-step achieve tips for every OE.
38
39 📊 REAL-TIME COMPLIANCE DASHBOARD
```

40 See your hospital's overall compliance score, CORE compliance status, chapter-wise heatmap, and accreditation readiness verdict (NOT READY / RISKY / READY) update live as you score.

41
42 GAP ANALYSIS ENGINE

43 Automatically identifies CRITICAL, HIGH, MEDIUM, and LOW gaps. CORE OEs below score 4 are flagged as CRITICAL – these will cause accreditation failure and need immediate attention.

44
45 CAPA WORKFLOW

46 Log corrective and preventive actions for every gap. Assign responsible persons, set target dates, and track closure status – all within the app.

47
48 26 COMMITTEES WITH FORMATION GUIDES

49 Every mandatory NABH committee with: who chairs it, who coordinates, quorum rules, agenda templates, escalation paths, and a 90-day induction plan. Includes 4 new committees from 6th Edition: AST, ESG, PREM-PRO M, Risk Management.

50
51 12 MANDATORY AUDITS WITH CONDUCT GUIDES

52 Step-by-step guides for all 12 mandatory audits including Medical Record Audit, Hand Hygiene Compliance, WHO Surgical Safety Checklist, Antimicrobial Stewardship, and more.

53
54 50 KPIs WITH TARGETS AND FORMULAS

55 All NABH Key Performance Indicators with measurement formulas, targets, frequency, and NABH standard references. Covers both hospital-wide and department-specific KPIs.

56
57 19 DEPARTMENT CHECKLISTS

58 Operational checklists for all hospital departments – from OPD and Emergency to OT, ICU, Lab, Pharmacy, and more.

59
60 EVIDENCE LINKING

61 Attach Google Drive, OneDrive, or Dropbox links to each OE as documentary evidence for assessors.

62
